§ 1126.17 Filled milk.

Filled milk means any combination of nonmilk fat (or oil) with skim milk (whether fresh, cultured, reconstituted, or modified by the addition of nonfat milk solids), with or without milkfat, so that the product (including stabilizers, emulsifiers, or flavoring) resembles milk or any other fluid milk product, and contains less than 6 percent nonmilk fat (or oil).

§ 1126.18 Cooperative association.

Cooperative association means any cooperative marketing association of producers which the Secretary determines, after application by the association:

(a) To be qualified under the provisions of the act of Congress of February 18, 1922, as amended, known as the "Capper-Volstead Act"; and

(b) To have full authority in the sale of milk of its members and to be engaged in making collective sales or marketing milk or its products for its members.

§ 1126.19 Current marketing period.

For the purpose of terminating this order under § 608c(16)(B) of the Act, the term *current marketing period* shall mean the first month following the

date on which the Secretary publicly announces his finding that the termination of the order is favored by such majority of producers under the order as is prescribed by the Act.

§ 1126.20 [Reserved]

§ 1126.21 Commercial food processing establishment.

Commercial food processing establishment means any facility other than a milk or filled milk plant, to which bulk fluid milk products and bulk fluid cream products are disposed of, or producer milk is diverted, that uses such receipts as ingredients in food products and has no disposition of fluid milk products or fluid cream products other than those received in consumer-type packages. Producer milk diverted to commercial food processing establishments shall be subject to the same provisions relating to diversions to plants, including but not limited to, provisions in §§ 1126.13, 1126.41 and 1126.52.
